TRAP CALCUTTA'S. SERIOUS SHOOTERS, BIG TURN OUT'S

Trap Calcutta's continue to be a big draw at Gun River. Ed Noteboom and his wife Deb do a great job at organizing and hosting these events. Trap shooters from all over come to participate in these events and enjoy great food and competition for bragging rights and sometimes cash!

These events take a lot of effort, please see Ed to see how you can assist with these great events and join in the fun.

GOOD OF THE CLUB

We had a light turnout for club clean-up day due to the poor weather conditions. Please see Dave McMurray or any board member to lend a hand. We are

member supported. The less we have to pay out for upkeep the more the club can continue to provide the skeet, trap, sporting clays event at the lowest cost to our

members!

We understand not everyone has the time or physical ability to help, but other donations of materials or paid outside services are often given.

Its all about the form!!!
